Dear Mr.Kuehni:

Thank you very much for your kind letter of Feb.14,1994  
to my award of AIC Judd medal. I sincerely appreciate your  
kindness extended to me when you were the editor of CRA.

I myself feel that I am not confident to qualify to the award.  
Without the support and assistance by many friends, I feel  
I could not have the honour.

Your sincerely,

Y. Nayatani
